**Franklyne releases Une Shot de Fort, a hymn to freedom.**

**Montreal, April 5, 2022** - Franklyne presents *Une Shot de Fort (A Shot of Hard Liquor)*, the first single from the album *Un Pas Devant (A Step Ahead)*, which is scheduled for release in September 2022. With its country-pop musicality, *Une Shot de Fort (A Shot of Hard Liquor)* is a breath of fresh air that the Quebec singer, also author and composer, wanted to highlight. *Une Shot de Fort (A Shot of Hard Liquor)* was composed during confinement, hence **Franklyne's** choice to draw inspiration from this period and many subjects such as the loss of freedom, the inability to see loved ones, travel, sing, dance, discuss and especially going out for some fresh air or for a drink with her friends.

Dancing, rhythmic and lively, this is the sort of song to be played loudly on a road trip and it's made for the dance floors.

*J'fous mon camp d'icitte,  
Je suis au point mort,  
J'ai besoin d'une bière  
Et d'une Shot de Fort*

*I'm getting out of here,  
I'm at a standstill,  
I need a beer,  
And a Shot of Hard Liquor*

**Franklyne** is a singer-songwriter. Several songs from her latest opus *Country Junky* have had success, including the title track which won the **Stingray Stars** award in the Country-Pop/Folk/Pop category at the **Festival de St-Tite**. In 2015, having always been in love with folk and country music, **Franklyne** launched her album *Country Junky* which includes twelve tracks, all written and produced by the blonde rocker. The singles *Country Junky*, *I Love U*, *Je Prends la route (I hit the road)*, *La Valse du Plateau (The Plateau Waltz)* and *Avant de Partir (Before leaving)* ranked on the radio and digital charts in Quebec.

Franklyne is even invited to come and perform in the near future in Sicily, Italy, at the tenth anniversary of the **Marina di Ragusa Country Festival**. To follow all the musical news of Franklyne, everything is accessible on her website: <https://www.franklyne.com/>
